**Footnotes**

STUDENT UNION was well rated early on then had a quick response when asked at the three eighths pole and zoomed to the front, dug in when faced with a challenge on the outside through the drive and prevailed. THUNDER LORD settled towards the rear then circled the field turning for home in the five path and was full of run in the stretch, ran gamely against the inside challenge but did not have enough. KEY TO A CURE was well rated early on then responded well when asked for more and proved to be the best of the rest. MAJESTIC INDEED went three wide around the first turn and was allowed to settle well off the pace then finished evenly. SWEEPING VICTORY stumbled to the start then got up to track the pace early on, turned for home in the four path but was no match. MISSION GAP ran towards the rear then angled to the outside with half a mile to go but lacked the needed rally. OPEN ICE HIT was reluctant to load then got a bit fractious while others were still loading, hit the gate at the break then settled just off the pace, went into the stretch in the five path and had no response. BOLD DEED sprinted to the lead right out of the gate but came up empty in the stretch. LUBANGO was never involved in the race and then was eased turning for home and walked off.
