**Footnotes**

SHE'Z SO GROOVY was well rated off the pace setters, hugged the rail the whole way around then popped through at the eighth pole, began to shake clear and was able to hold off the closer. SHEYN VI DI LEVONE was slow into stride then was void of speed in the early going, began to pick up the pace turning for home then elbowed her way through at the three sixteenths pushing MARCH TO GLORY out of the way, got into stride and closed with a rush. SHOTGUN SALLY led the second flight of horses as the leaders lost touch with the rest of the field, was forced to go three wide turning for home then rallied very well between horses and finished with a good effort. DIRTY DOZEN set a pressured pace skipping away with the rest of the field through the backstretch, kept the momentum going into the stretch but gave way in the final furlong. LUMINOUS CIELO went four wide around both turns and was allowed to settle in the middle of the pack then finished up evenly. MARCH TO GLORY went around both turns in either the three or four path, got bullied by SHEYN VI DI LEVONE at the three sixteenths when she was looking for running room, but lacked the needed rally when asked. SHE'S OVERWELMING kept the leader under pressure the whole way around but surrendered at the quarter pole.
