Footnotes

PERSIE stalked the pace while running on the inside, took control of the lead near the seven sixteenths pole then steadily drew off, was under a drive until the sixteenth pole then was ridden out from there. SNOOP got bumped by PEPPI THE HUNTER at the start and was quickly pinched back, was void of speed in the early going while running on the inside, swung into the stretch in the four path and was able to pass tired rivals. PEPPI THE HUNTER ducked in at the start and bumped into SNOOP in the process, settled to chase the pace while running in the two and three paths then folded up. TINTO MESA tracked the pace while in the two path, swung into the stretch in the four path but had no response and was kept to task through the finish. NICHE set a pressured pace while going two wide around the turns, came up empty after half a mile then was kept to task through the finish.
